Dear Sir,

We would like to inform you that the Company has entered into an Exclusive Supply Co-operation Agreement with **Proquima**, a Company incorporated in Spain.

Proquima is the principal manufacturing company, for supplies of quality chemicals for KlenzPro. Proquima also supplies to Careli, the company with whom we already have a strategic agreement for Water Soluble Film based capsule packs.

This collaboration opens doors for the niche market aiming at Clean India campaigns, by production of cleaning chemicals and activities under "Make in India" program.

Thanking you,

For Arrow Greentech Limited
